

Fauquier County Soccer Club

Fellow Members:

Regrettably, we've been forced to postpone the silent-auction gala that we had scheduled for April 1st at the Fauquier Springs Country Club. As is always the case with the start of a new soccer season, our members and volunteers are all torn in different directions. Although the interest is there to host a wonderful event, we just didn't have the commitment needed at this time.

It is incredibly important that when this event is held, that it is as near perfect as we can make it, accomplishing the goals and objectives we've established for this event. In all honesty, we're just not comfortable we have the Gala positioned properly to meet those objectives and thus the decision to postpone until August.

Your understanding and support is appreciated. If you have any additional questions, please feel free to touch base with Dan Hayes or me.

Tim Schulke
President, FCSC
